

Depth Chart

Your starter and the players developing behind them · Season view

TEAM

SEASON

POSITION	STARTER	BACKUP	DEVELOPING
Pitcher (P)			
Catcher (C)			
First Base (1B)			
Second Base (2B)			
Third Base (3B)			
Shortstop (SS)			
Left Field (LF)			
Center Field (CF)			
Right Field (RF)			

WHY KEEP ONE

The position chart answers “who plays where today.” The depth chart answers “who is ready to play here at all.”

Fill the Developing column honestly, even when it is empty. A blank cell next to catcher in April is a plan for May.

Coaches who keep a depth chart are never the ones scrambling when their only catcher is out of town for a tournament.
